*Dear Claudio,*

**London International Shipping Week 2015**

I am writing on behalf of the Steering Group to thank you for being a Supporting Organisation for LISW 2015.

The week was without doubt a huge success, We were struck by the numbers of overseas visitors this year and plan to build on that for the future. The week would not be possible without its many supporters and sponsors, so we thank you warmly for your help. I very much hope that you felt that the week was a success from your point of view and I know that the Shipping Innovations team will be very keen to hear any feedback.

We felt particularly that the quality of events was a distinguishing feature of the week and they were all very well attended, with many senior shipping people from around the world participating.

As you are probably aware, we plan to hold LISW on a biannual basis, so please make a note on your diary for the week of 11 September 2017.

*Best wishes,*
